LIN | Stage helper

At **12:25** I carried a green cardboard box with a **gold star sticker** from beside the sewing table to the stage. I put it behind the red curtain. I thought it held decorations, but **I did not open it**. At 12:35 it was still there, closed. I did not move any other green box.

RAE | Repair helper

At **12:18** I took Freddie from the welcome desk to the sewing table and repaired his scarf. At **12:22** I put him inside a green cardboard box with a **blue circle sticker**, under my table. A second green box, with a gold star sticker, stood beside it. I went to get some water. I did not see who moved either box.
