Read what your two helpers say. Answer your partner's questions.

Answer as the helper: "I carried..." Or use a name: "Lin carried..." Do not invent facts.

SAM | Sports helper

At **12:15** I carried a blue sports bag outside. It contained two footballs and some red cones, **no toy fox**. At **12:28** I carried a green cardboard box with a **blue circle sticker** from under the sewing table to the photo booth. I left it under the table by the camera. I thought it held spare ribbons, but **I did not open it**.

JO | Photographer

At **12:10** I took a photo of Freddie on the welcome desk. His scarf looked loose. At **12:15** I saw Sam carry a blue sports bag towards the door. I did not see its contents. At **12:32** I saw a closed green box with a **blue circle sticker** under the photo-booth table. I did not see Freddie again.

Complete these questions. Then ask your partner and listen.

1. _____ Lin _____ the box? (open)

2. Who _____ Freddie's scarf? (repair)

Ask one more question

Which sticker was on the box? / What time did that happen?
Did you see it, or did you think it?
Answer the question your partner asks. Do not read out the whole file.
Match the times, places and stickers. Two green boxes are not always the same box.
