# Make the town more welcoming

Learner page 3 | A fresh task

## Task B

How might these changes make a town centre more welcoming?

1. Adding places to sit
2. Making walking routes clearer
3. Organising free community events
4. Creating green spaces
5. Providing better public transport information

1. Look at the question and prompts for 15 seconds.
2. Talk together for 2 minutes. Try the change you chose after Task A.
3. Stop when the teacher signals. Listen to a new decision question. Discuss it for 1 minute.

There is no single correct choice. Give reasons and respond to each other.

## What changed

An idea my partner gave

_____

_____

A turn where I tried my change

_____

_____

Ask your partner: Did that help our conversation? Give an example. Compare your first and second attempts with the teacher. Write one next step.

_____

_____

Optional later practice: choose a familiar everyday decision together. Discuss the options, then choose. Listen for the same one change. This is extra conversation practice, not a new official exam task.
