

Imagine a different week

WDS1 · Optional homework · B1-B2 · Work on your own; check answers on page 2

1. Imagine: you have a free day. What would you do first? Why?

Write one idea in your notebook.

Remember

If + past simple, would + base verb.

If I had a free day, I'd visit my friend. I'd = I would.

We are imagining now or the future. The past form does not mean a past event.
can → could; be → were (was is also common with I/he/she/it).

2. Complete the sentences. Use the verb in brackets and would.

1. If I _____ near the sea, I _____ swim more often. (live)
2. What _____ you make if you _____ a free cooking class? (take)
3. If my friend _____ more free time, we _____ meet more often. (have)
4. Where _____ you go if you _____ travel anywhere? (can)
5. If it _____ sunny today, I _____ eat outside. (be)
6. If I _____ to work tomorrow, I _____ visit a museum. (not need)

3. Correct one mistake in each sentence. Write the whole sentence.

1. If I would have a garden, I'd grow vegetables.
2. If she lived closer, I would visited her.
3. If I didn't needed my car, I'd sell it.

4. Reply to a friend - use your notebook.

Your friend asks: "If you had a free day, what would you do? Who would you invite?"

Write a short reply. Include two imagined situations with **if**, two answers with **would**, and a reason for each choice. Use real or fictional ideas.

Homework answers

WDS1 · Check your forms, then compare your reply with the model

Task 1

Your own idea. Possible answer: "I'd go for a walk because I enjoy being outside."

Task 2

1. lived / would
2. would / took
3. had / would
4. would / could
5. were (also was) / would
6. did not need (didn't need) / would

Why these forms?

Use a past form after if. Use would + base verb for the imagined result.
After didn't, use the base verb: didn't need, not didn't needed.

Task 3: corrected sentences

1. If I **had** a garden, I'd grow vegetables.
2. If she lived closer, I would **visit** her.
3. If I **didn't need** my car, I'd sell it.

Task 4: one possible reply

"If I had a free day, I'd go to the coast because I love the sea. If my cousin was free, I'd invite her because we enjoy walking together."

Different ideas are welcome. Check: two if + past forms; two would + base verb forms; two reasons. You can use I'd. Share your reply next lesson and ask a follow-up question.
